The Formwork Experts.

The Formwork Experts.

## Supply Planner Area Europe (m/f/d)

Around the globe, impressive buildings are constructed with Doka's expertise in formwork technology. Examples are Burj Khalifa, Muskrat Falls –one of the greatest hydroelectric power plants in Canada – or parts of the Brenner base tunnel. This is the result of teamwork – the collaboration of worldwide 7.300 employees in over 160 distribution and logistics facilities in more than 60 countries all over the world. And we are proud of that. Due to our 150 years of history as a family owned company, we appreciate the effort made and work done by our employees. Therefore, it is important to us to inspire our employees every day – in terms of flexible working hours, performance-related payment and further development opportunities.

### Job Description:

#### Are you ready to join an international dynamic team?

In this position as a part of the Operations Area Europe team you will cooperate close with our Doka Sales Organizations and manage daily challenges in the area of supply chain.

#### Your key responsibilities include:

- You will fulfill material demands as well as regulate the logistics process throughout the supply circle
- You will initiate and support global material exchange (intercompany) & coordinate bottlenecks in supply
- You will be accountable for maintaining a balanced stock and material procurement planning based on business demand
- You will interconnect with Doka Sales Branches, collaborate with other Distributions Centers and the Headquarters to support and optimize supply performance
- You will implement and monitor Doka's global logistics standards & processes
- You will collaborate on the further development of software-relevant tools (e.g. Discos, RapidResponse)

#### Your Qualifications:

- commercial education with focus on Logistics or Supply Chain
- practical experience in Operations or Logistics is an advantage
- proactive and communicative personality
- entrepreneurial thinking combined with hands-on mentality
- personal responsibility and assertiveness
- dedicated, solution-orientated and stress-resistant & able to handle as trouble shooter under time pressure
- team player with high degree of service-orientation
- very good command of German & English (oral and written)
- IT-affinity with good MS Office skills required (Excel, PowerPoint, Word)
- ready for business trips

Please submit your application via our online job portal on [www.doka.com/career](http://www.doka.com/career).
